

PRECISION SADDLE TREE™

PRICE LIST

Effective June 15, 2023

TREES

- \$400 Kevlar® Clear Coat (KCC) LIFETIME Warranty***
Trees are precision cut and assembled. Kevlar® is hand laid to reinforce the horn, swell, bars, and cantle. The clear coat resin allows you to see through to the Kevlar® and wood grain for a hi-end finish.
- \$300 DURAhide™ Covered Kevlar® Reinforced (DuraK) LIFETIME Warranty***
Trees are precision cut and assembled. The horn, swell, bars, and cantle are wrapped with Kevlar and spray coated with DURAhide™. DuraK trees set the standard for strength and durability.
- \$225 DURAhide™ Covered (DURA) 5-year Warranty***
Trees are precision cut and assembled and spray coated with DURAhide™ to add strength and protection.
- \$\$\$\$ Custom Trees**
Custom tree prices start at \$80 per hour plus base price. Please call for an estimate. No returns on custom trees.
